Andhashraddha nirmulan (Eradication of Superstitions) programme of Dr. Adinath Ingole

A special camp of NSS was organised in Dhangar Takli village by the NSS department of Shri Guru Buddhiswami Mahavidyalaya, Purna during 18<sup>th</sup> December to 24<sup>th</sup> December, 2018. On 23.12.2018, a very special programme of 'Andhashraddha Nirmulan (Eradication of Superstition)' was arranged for the villagers by the Andhashraddha and Jadutona Nivaran Kendra (Best Practice) of the College. The Programme was organised in the evening so that the farmers and workers could attend it. Dr. Adinath Ingole, Co-ordinator of the Kendra, explained the tricks behind the Jadutona and how the *babas* and *buvas* cheat the common people, by showing the scientific experiments. Behind each Jadutona act of these people, there is some scientific experiment, which the common persons do not know and exactly this helps the *babas* to cheat the people. He showed many such experiments to the people of the village. The people were astonished to see the science behind the Jadutona.

In the beginning of the programme, Dr. G.P. Kapure, NSS Programme Officer, gave introduction of chief guest, Dr. Adinath Ingole and he told the audience about the Best Practice 'Andhashraddha and Jadutona Nivaran Kendra' (Best Practice) of the College. About 65 villagers were present for the programme.
